

Raimondi College
Report on the Use of the Promotion of Reading Grant
School Year (2024-2025)

Part 1: Evaluation of the Effectiveness

1. Evaluation of achievement of the objectives: (e.g. reading culture of the whole school, students' reading attitude, book borrowing situation and students' engagement in reading activities)

New books were purchased to enrich the subject-based reading curriculum in order to enhance reading across the curriculum as well as students' reading interests and life-long habits. We also add new titles according to the moral and well-being of our students, their interests as well as enhance the good characters, moral and attitudes. Student-led reading scheme was launched to some S.1, S.4 student representatives and school reading ambassadors this year. All students were arranged to participated in reading schemes through different subjects too.

2. Evaluation of strategies: (e.g. implementing diversified and motivating activities to promote reading, reading across the curriculum and home school co-operation)

Students and teachers understood the importance of reading, strategies include subject-based library visits, 3-day book exhibition, author's reading sharing, values education reading sharing, World Book Day cum Easter event, festive reading activities, assemblies on reading sharing, eReading platform enhancing English and Chinese reading. These strategies will be continued next year. Book sharing, subject-based reading articles, student-led reading scheme (Phase 2), and other reading activities and programmes will be launched next year,
